**HOW BLACK HAY  
CAN HELP YOU...**

**At BLACK HAY, we provide an extensive array of Legal Services plus separate Estate Agency & Financial Services.**

All our services are functioning remotely, working within the Government Guidelines. Clearly there are restrictions on how much progress can be made and we monitor any guideline changes daily, in particular any changes made by the Government & The Law Society of Scotland of which we are a Member.

We seek to progress every area of business which we are currently transacting for our clients whilst also planning for future business ...as we are Open "Virtually" for Business now and will physically re-Open for Business when we emerge from this unique situation.
