

BLACK HAY SOLICITORS

Even although BLACK HAY SOLICITORS were established in the 1930's, the events of 2020 were unique, however we continued to provide Legal Services, working within the Government Guidelines. During the festive break we reflected on how very busy 2020 had actually been, despite "Lockdown" ...with our Solicitors in Prestwick & Ayr providing an extensive range of legal services to meet our clients needs, assisting clients (often remotely however also by pre-arranged appointments) and working with/overcoming the many challenges that 2020 will be remembered for.

We also wish to take this particular opportunity to offer our thanks to all those key workers ...including the NHS, Emergency Services, Delivery Drivers, Supermarket Staff, indeed all those that are there when their services are needed ...and those in the community who look in on neighbours and do the small yet so helpful tasks.

We look forward to providing our services for existing & new clients throughout 2021. We can be contacted by phone or email ...visit blackhay.co.uk

We are working remotely or within our offices - please note where office appointments are essential, these are by prior appointment only, complying with Government Guidelines.

BLACK HAY ESTATE AGENTS

2020 was undoubtedly a challenging year for all of us. In our business, the property market, there were very positive signs, particularly post-Lockdown.

We Welcome 2021 with optimism, looking forward to helping clients "Make their Move". To Sell YOUR Home this year, contact BLACK HAY ESTATE AGENTS on 01292 283606. (We are focused on ESTATE AGENCY only, it doesn't matter who your Solicitor is ...you can still use the services of BLACK HAY ESTATE AGENTS ...and use your existing Solicitor)

At BLACK HAY ESTATE AGENTS we bid farewell to 2020, with all its challenges. Pictured above, a small selection of the properties we successfully sold pre & post "Lockdown" ...despite Lockdown we thought the property market would return briskly in July & August 2020, and so it proved to be.

As I celebrate nearly 35 Years as an Estate Agent ...the property market continues to be resilient, whatever the challenges. As 2021 unfolds we are already helping our Estate Agency helping clients sell/buy, providing advice, sharing our property experience. The human desire to move home & "build a new nest" endures.

2021 still presents challenges for all of us however there is undoubtedly a clear sense of "light at the end of the tunnel". We look forward to providing our Estate Agency Services and, as always ...we act solely in your best interests. We work strictly within the Government Safety Guidelines, remotely at times, and we review the Government Advice regularly. At present we can be contacted by phone, email ...visit blackhay.co.uk
