

BLACK HAY Estate Agents ...an Estate Agent you can Trust.

This year I mark 21 Years with...
BLACK HAY Estate Agents and 40 Years as an Estate Agent ...reminding me of the journey that I have travelled through my working life.

I can honestly say that in 2026 I remain as enthusiastic and dedicated to ensuring my Clients receive a professional service which they can trust will deliver in their best interests.

I have acted for thousands of Clients over 4 decades. The positive feedback received continues to fuel me, reinforcing my view that BLACK HAY Estate Agents deliver exceptional results with integrity.

Last year, we sold properties ranging in value from £50,000 to over £1,000,000. Uniquely I personally negotiated the sale of every single property, as I have done for decades.

Rather than just being the Estate Agent that starts the process by valuing your home ...as one of Scotland's most experienced Estate Agents, I am also the one who negotiates the final sale price of your home.

So, if you are looking to Sell Your Home in 2026 with an Estate Agent that you can truly trust to deliver for you I welcome the opportunity to show you why our Estate Agency is not just about the brand, marketing or hype, it requires a real Estate Agent to negotiate the best result for you ...I know how crucial an exceptional negotiator is to the whole process of selling your home ...it's what I do.
